Why become a member of World Scientific Congress of Golf?

World Scientific Congress of Golf is the only golf research organization, and you can become a member. The organization has a mission to bring together researchers, professionals, and interested golfers in the areas of The Golfer, The Golf Course, and Equipment and Technology. The goal of the meetings is to present the latest research information to each other and to golf enthusiasts.

The Benefits of membership includes: conference discounts, product discounts and most importantly a new WSCG quarterly research journal coming 2012.
